Case Subject: Re: Your journal submission has been received

Dear Navneet,

Thank you for contacting Web of Science Publisher Relations Support.

We have forwarded your request for an update on the evaluation status of your journal directly to our Editorial team. They will respond to you within 7 business days.

Please note that it takes a minimum of three consecutive current issues to complete the evaluation. For more information on the journal evaluation process, please visit the following website: http://wokinfo.com/publisher_relations/journals/

I hope this has been helpful. Please feel free to contact me should you need further assistance.

Kind regards,

Helen
